## Host Responsibility Policy

The President and Executive Committee of Crockfords Bridge Club Inc. want you to enjoy the facilities of the club. Our policy is to serve our members, their guests and visitors from affiliated clubs in an atmosphere of comfort and friendship.

To avoid spoiling this atmosphere and to ensure that everyone has a thoroughly pleasant time whilst in the clubrooms, we will not tolerate persons who become intoxicated.

To minimise the effects of alcohol, the club has available snack food and alcohol free drinks and water at all times.

Should you elect not to drive when under the influence of alcohol after visiting the club, we will make arrangements to provide alternative transport to get you home safely.

Young persons who are legitimately on club premises and wish to buy alcohol will be asked to provide one of the approved ID's, so that they can verify that they are 19 years of age or older.

We want you to enjoy your time with us.

For your enjoyment and safety, we have the following available:

- Pies, Pizzas, Lasagne, and Savoury Cheese toasties
- A range of bar snacks including chips
- A good range of non and low alcoholic drinks such as fruit juice and soft drinks
- Water

Our staff are advised to deal politely and responsibly with anyone showing signs of becoming intoxicated so that they do not become a nuisance to others.
