EARLY BAR OPENING: On Tuesday and Wednesday evenings this week the bar will open before bridge at 6.45 for a convivial half hour with your fellow grade members. This has been a suggestion from players who are unable to stay after bridge when the bar will continue to open if the grade wishes to have a drink. If enough of us find our bridge improves after a glass of wine it may become a regular thing!

2017 & 2018 ACCOUNTS: Both finalised sets of these accounts are available on the Directors' desk for you to view. Please do not remove them from the room.

HELPER FORM: We have had a fantastic response and anyone who has missed out will find a blank form on the Directors' Desk. If you don't hear from a committee member in the next few weeks, please don't think you have been forgotten or overlooked. There are plenty of jobs to go around!

GRADE CHAIRS: Recently the V.P and P met with the Club's grade convenors and we are grateful for the extra responsibilities they assume in order for each grade to enjoy their bridge. Fundraising, member welfare, liaison with the committee, and special events planning are just some of the extras they have taken on. We know they will continue to enjoy the full support of the players in each grade.

SUPPER: Occasionally Marion, our tea person, is unavailable to work - sometimes at short notice. We have coped in the past when this has happened but it isn't ideal for players to be making the tea, and cleaning up. We have one or two people who live not far from Crockfords who have said they are happy to be rung to come down and cover for Marion, but we would like a few more on our Emergency List if we could. Please email the Crockfords office if you can take a turn when this situation arises.

MAY MEETING: The monthly meeting of the Committee will be held this Friday night at 6.00pm in the office at Crockfords. Members are welcome to attend.

TUESDAY LUNCHTIME BRIDGE: This month May 21st May 28th.

Upcoming Tournaments: *Check fliers on notice board for details.*
