**Farewell:** It is with sadness that we farewell Graham Pilkington, who died last week. He was a longtime member of Crockfords and we extend our sincere sympathy to Esme and family.

**Xmas Raffle:** Tickets will be on sale for the next two weeks prior to the commencement of the evening sessions. Please support this fundraiser and remember your \$2.00 coins. A big thank you to Liz and Lionel Ford for putting together the raffle prizes.

### **Committee update**

The 2020 programme book has gone to the printer. It contains slightly updated rules for movement between grades which are:

1. Any player may play in a higher grade as long as they play at the pace of the grade they are visiting.
2. Members playing above their grade are eligible for the higher grade's competitions.
3. Members may play one grade below their grade but are not eligible for the lower grade's competitions.

You will have noticed some of our tablets are becoming unusable. We have purchased 10 new tablets as replacements for the unusable ones.

With the coming of the new year we are looking for members able to contribute to the club as; committee members, grade committee, dealers and directors. Please consider how you may be able to support your club in 2020.
