Weekly Notice Monday 21 September 2020

Dear Members

The Nola Mather Tournament was celebrated on Sunday afternoon by a small but enthusiastic crew of mostly Seniors and Juniors. We played 30 hands in a Howell movement where each pair played two boards with every other pair. The winners were Rosemary Olsen and Robin Jones with Fiona McAlevey and Pam Butler as top of the Juniors set. Congratulations to both pairs. Thanks to all participants. The usual lovely afternoon tea was had. It was even suggested we do a similar Sunday afternoon event on a monthly basis.

Meanwhile at the Chch Bridge Club Carol Singh and her partner & team won the Intermediate Grade and she came 3rd in the Pairs, congratulations.

Regrading - Thank you to those people who have submitted a request for "Consideration of Regrading". These will be presented to the committee for ratification and you will be notified after the next meeting.

In preparation for the 2021 club booklet we are asking you to check and update your contact details. There is a clipboard with member lists for each grade on the director's desk. Please correct as required or mark that you have checked your details. This is also the time for grades to consider 2021 competitions.

Regards

Peter van Leeuwen
